A Description of Grace

The Grace of God is:

God freely providing for us (as we humbly trust in the Lord Jesus)

- All that we need for growth and godliness and service
- All that we need to walk in what we are commanded to do and to become
- All that our hearts now yearn to enter into for His glory

Yet, all of these spiritual realities:

- Could never be deserved by us
- Could never be earned by us
- And could never be produced by us.
